Albright, David 1:17 PM:

Hello

Could you tell me what your HQs mail code is?

McWhirter, Lisa 1:17 PM:

let me look it up

I used to have it memorized

McWhirter, Lisa 1:20 PM:

4601M

1:26 PM The conversation has been marked with high importance.

McWhirter, Lisa 1:26 PM:

I think its 4606M, not 4601M

Albright, David 1:30 PM:

yes, it's 4606M. thanks

McWhirter, Lisa 1:31 PM:

Bill led me astray... can't trust the regional folks! ha ha

1:45 PM The conversation has been marked with high importance.

McWhirter, Lisa 1:45 PM:

It's interesting the AG aquifer exemption statement of basis talks about treating the wastewater and disposing it in a creek...this could be a current example of operators reusing wastewater (although it's not necessarily HF activities, but EOR)
